## EDUCATION

---

**Bachelor of Technology | Computer Science and Engineering**

Sept 2020 - Jun 2024

Jawaharlal Nehru National College of Engineering

**Pre-University**

Jun 2018 - May 2020

Pace PU College

## TECHNICAL SKILLS

---

**Languages:** Java, C++, SQL, HTML, CSS

**Tools/Frameworks:** Microsoft Power BI, Figma, VS Code

**Courses:** Computer networks and Security, Database Management, Data Structures, Algorithms, Web Technology, Software Engineering

## PROJECTS

---

**Dynamic Dashboard using Microsoft Power Bi** | My SQL, Data Visualization, Big data

- Developed interactive dashboards using Microsoft Power BI and MySQL, transforming raw data into actionable insights.
- Leveraged data visualization techniques to create comprehensive and user-friendly visualizations for decision-making.
- Ensured accurate data connection, transformation, and modeling for robust and aesthetically impressive dashboards.

**Theatre Seat Booking System** | HTML, Tailwind CSS, PHP

- Developed a user-friendly interface with HTML and styled with Tailwind CSS to provide an intuitive and visually appealing experience.
- Implemented backend operations using PHP for seat availability updates, reservation management, and data storage, ensuring a secure and efficient booking system.
- Ensured responsiveness across devices, enabling seamless access from various devices such as desktops, tablets, and smartphone.

## EXPERIENCE

---

**Software Engineering Trainee Intern**

Aug 2023 - Sep 2023

Blue Rose Technologies

- Managed FMCG client data from Middle Eastern markets to optimize supply chain, marketing, and sales strategies, ensuring data accuracy for informed decision-making.
- Developed and utilized Power BI for creating interactive dashboards to monitor KPIs, track trends, and forecast demand.
- Combined regional insights with global data to enhance competitiveness and drive business growth, while maintaining effective communication with stakeholders to align projects with evolving objectives.

## CERTIFICATIONS

---

**Honeywell Cybersecurity Training** | Palo Alto Networks

**SQL and Relational Databases 101** | IBM Developer Skills Network
